

Mobiloitte – NFT Marketplaces

The Company

11 YEARS

In Software Development

5000+

Projects Delivered

1000+

Clients Served

**NASSCOM, FICCI, NSIC, MSME,
ISO, UPWORK, DRUPAL, NeGD**
Affiliations

Blockchain

BLOCKCHAIN DEVELOPMENT

NFT Marketplaces | DeFi Apps |
Launchpad Application | Crypto Exchanges
(centralised/Decentralised) | Custom
Blockchain Development | Wallet App
Development | AMM & Yield Farming

PRIVATE BLOCKCHAIN

Multi organizational Setup | Big Data
Handling | Chain code Developments |
Access based private ecosystem

PUBLIC BLOCKCHAIN

ERC20 | ERC721 | ERC1155 | Smart
Contracts | DEX | Sidechain Aggregation
| AMM Development | Crowdsale and
ICO | DeFi Ethereum | Blockchain Foking
with Improvised TPS | Consensus
development

NFT Marketplace

PLATFORMS

Solana | Ethereum | Cardano | Binance
Smart Chain | Polkadot | Theta |
Polygon | Fantom | Flow

NFT DEVELOPMENT USE CASES

Digital Arts | Physical Goods |
Gaming | Music | Unique Tweets |
Unique Posts | Real Estate | Fashion
| License & Certificates | Name &
Domains | Sports

ADD ONS COVERAGE WITH US

Digital Arts with traits & Attributes |
IPFS set up | Metadata Pinning |
Internal Auditing | External Auditing |
DevOps | Maintenance

Blockchain Security

Most secured Blockchain
architecture considering Rust
codebase and clusters based
validation system

Speed

Transaction speed and
Transaction handling per second
is unmatched so far even in its
very infant stage into the
Blockchain space.

Evolving Community

Simply validators can join the
network by setting up their own
cluster and can earn rewards of the
protocol which can well be staked.

NFT Marketplace Platform Tailored to your needs

WHY MOBILOITTE FOR YOUR NFT MARKETPLACE?

We at Mobiloitte are at the forefront of Blockchain and NFT marketplace development. We offer NFT marketplaces in Solana, Ethereum, Polkadot, Polygon, Binance to name a few.

Large, multidisciplinary experienced teams in various Blockchain & Front-end technologies, Storage platforms, and NFT standards, covering all the bases for a successful project launch.
